#### **Other Communications with the Media**

13. This policy does not seek to regulate councillors in their private capacity.
14. The Council's communications with the media seek to represent the corporate position and views of the Council. If the views of councillors are different from the Council's corporate position and views, they will make this clear.
15. The Council clerk (or in her absence the Chairman) may contact the media if the Council wants to provide information, a statement or other material about the Council.
16. Subject to the obligations on councillors not to disclose information referred to in paragraph 5 above and not to misrepresent the Council's position, councillors are free to communicate their position and views.
